Case No. 2:17-cv-01438-JCM-DJA

Order

13 This matter is before the Court on the Court's review of the docket. The parties filed a
14 joint status report in compliance with the Court's order (ECF No. 148) on September 29, 2021
15 (ECF No. 153). In that report, the parties request "that the Court set a Scheduling Conference or
16 enter a Scheduling Order for the purpose of setting deadlines applicable to the appearing parties
17 in this matter." (ECF No. 153). This case is complex and, despite its age, is in a procedurally
18 early stage. However, the joint status report does not explain the status of discovery or respective
19 needs of the parties. Without this information, and without a motion or stipulation including a
20 proposed scheduling order, the Court is not equipped to issue a scheduling order suitable for the
21 parties needs. The parties are thus directed to meet and confer and attempt to stipulate to a
22 proposed scheduling order. The Court finds these matters properly resolved without a hearing.
23 LR 78-1.

1 **IT IS THEREFORE ORDERED** that the parties shall meet and confer and file a
2 stipulation or motion to reopen discovery including a proposed discovery plan and scheduling
3 order in compliance with the applicable portions of LR 26-1(b). The parties shall file their
4 stipulation or motion on or before **Monday, February 28, 2022**.
